Real happiness and peace can be found in submitting to the commands of the Creator and the Sustainer of this world. God has said in the Quran:

"Truly, in remembering God do hearts find rest." (Quran 13:28)

On the other hand, the one who turns away from the Quran will have a life of hardship in this world. God has said:

"But whoever turns away from the Quran,[\[1\]](#) he will have a hard life, and We will raise him up blind on the Day of Judgment." (Quran 20:124)

This may explain why some people commit suicide while they enjoy the material comfort money can buy. For example, look at Cat Stevens (now Yusuf Islam), formerly a famous pop singer who used to earn sometimes more than \$150,000 a night. After he converted to Islam, he found true happiness and peace, which he had not found in material success.[\[2\]](#)
